

Portraits of the Big "Huh!"

👁 20 ✓ 0 ★ 1

Chapter 1 by Erin Panjer

Signal, the swallows to tangle the skies up with joy!

Doubts and nervous chattered in the bushes inside, until-
without a word. They burst into the blue, and stream as though,
they see light talking, particles interacting, and the only right response,
is to move. A blue pencilled lightening flash bouquet of flight.

Feel the feeling, or marvel at the sight.
